RESTAURANT

MENU

At Red Bean, our vision extends beyond being just a restaurant; we aspire to be one of Vietnam's premier culinary establishments. We are dedicated to serving modern Vietnamese cuisine infused with innovative ideas, all while cherishing the essence of authentic Vietnamese cooking and its cultural significance.

Our primary goal is to cultivate an outstanding reputation within the hospitality and restaurant industry. We strive to pioneer the creation of inspirational dishes that stay true to the heart of Vietnamese culinary traditions, embracing the elemental balance of metal, wood, fire, water, and earth that defines Vietnamese gastronomy.

The name "Red Bean," or "Đậu Đỏ" in Vietnamese, holds immense importance in Asian cuisine, not only for its versatility and delectable taste but also for its profound symbolism. In various Asian cultures, the red bean signifies love and fidelity, often finding its place in poetic expressions of romance. Additionally, it carries a personal connection within our story. It represents owner's youngest son, Đỗ Trần Minh Quân, whose parents affectionately nicknamed him "Đậu Đỏ" due to his appearance at birth. This endearing moniker has become the very essence of our brand, encapsulating the spirit of the Elegance Hospitality Group restaurant chain.
