## FACILITIES

### Red Bean Restaurant

Our contribution to Vietnamese cuisine; is a symphony of flavors that reflect each aspect of the country's world-class food culture. Opening from 6:00 to 22:00

### The Temple

Drawing heavily upon Western Europe, our international fusion restaurant takes advantage of the variety offered on the opposite corners of the world.

Open daily: 6:00 – 22:00

### La Spa

La Spa is a sanctum within a refuge; a space to recover and rejuvenate in-between discovering Hoi An and the surrounding area.

Open daily: 09:00-22:00

### Soothing Waters

Four pools, one saltwater, one infinity pool, one fresh water, and one for kids blend with the tranquility of our gardens. After taking a dip, sit back on a sun lounger with a cocktail in hand. Take in the natural surroundings of our tropical gardens and whispering green rice paddies.
